

Changing the thermostat for PSA (vehicles)

- transition from electronic to mechanical

004
12/10/01

PSA has changed the thermostat (Triscan ref. 8620 271 105) from an electronically controlled thermostat to a traditionally controlled thermostat.

The change means that, in addition to using a different type of thermostat, you must also use a blanking plug and a plastic tie for mounting and in several cases also a coolant hose.

All accessories, as well as detailed installation instructions, are delivered with both thermostats and for thermostat 8620 39989 a radiator hose is also included.

8620 39689

(+ blanking plugs and the plastic strip)

Carmake	Carmodel	Type	From year	To year
CITROËN	C5 (RC_)	1.8 16V	9/2005	1/2008
CITROËN	C5 (RC_)	2.0 16V (RCRFJB, RCRFJC)	9/2004	1/2008
